

CLINIC NEWS

Concerns or Questions? Contact the clinic at 435-8064.

All daily medicine must have paper work signed by your doctor on file
Stop by the clinic to pick up the form.

Each year you can send over-the-counter medicine to school for your student with a signed consent form. You may pick one up in the clinic. **Parents are responsible for picking up medicine at the end of the school year.** Any medication left after the last day of school, will be destroyed. LHS does not **furnish** medications for students.

Students may carry inhalers with the proper paperwork. Stop by or call clinic.

Please notify the clinic of any medical changes in your student (i.e. surgery, major injuries, changes in medication, ect.) and maintain up-to-date-address and phone number information with the registrar (435-8038).

Letters will be mailed home 1-2 months before your student has an immunization due. Please contact the clinic in writing or by phone if your student has already received the immunization required. Students will be excluded from school (un-excused absences) if they do not meet the state requirements for immunizations.

Pads and tampons are available in the Clinic bathroom for a quarter. Ladies please keep a quarter handy in your purse or backpack for this purpose.

Diabetics need to provide the clinic with a copy of your physician ordered diabetic plan. Communication with the Nurse is very important.

Let's have a great year!

Scinda Meadows, LHM Leander High School Nurse
